

**Attention Parents and Guardians of  
Students who registered last year but  
did not receive 1<sup>st</sup> Communion in May 2020**

## **Registration For 1<sup>st</sup> Communion 2021 Our Lady of Fatima Church**

We are so sorry that your child was not able to celebrate 1<sup>st</sup> Communion in May, 2020 due to the pandemic. Since the schools were not able to complete the preparation process we ask that you follow the link below to register your child again for 1<sup>st</sup> Communion this year.

We still have the registration forms and documents you submitted last year, so while **there is no need to re-submit a copy of your child's baptismal certificate**, we ask that you send us a new completed Registration Form so that we have up-to-date information for your child and so that we know you would like to move forward with this sacrament.

**Please note:** this year we ask you to work on an e-Resource with your child at home (see details in Step#2 of the Registration Process). Please attach the fee of \$10 to the completed Registration Form and rest assured that you will not need to re-submit the baptismal certificate.
