**Notes to Commentators:** It is imperative that no additions, deletions or changes be made to the Commentator's sheets without the Pastor's approval. Please announce the **ProceSSIONAL** and **Recessional Hymns only**. Kindly ensure that the door to the Sacristy is locked before the Mass commences; as well, lock the Safe after depositing the collection basket.

**Note to Lectors:** Please report to Sacristy prior to the Mass, so that the other assigned Lector is aware of your presence; otherwise the Lector who is present at the start of the Mass will do **both** readings. Kindly inform me of Vacation/Away days well in advance, if at all possible. Keep up the good work, and thank you for your cooperation and dedication.
